

January 2009

Dear Friend,

On Saturday evening March 21, 2009, the Children's Cancer Fund will celebrate the 17th Annual Teddy Bear Ball at the Westchester Marriott in Tarrytown, New York and honor the outstanding work of Children's Cancer Fund founder and medical advisor Dr. Somasundaram Jayabose. The mission of the Children's Cancer Fund, a New York 501(c)3 not-for-profit corporation, is to advance pediatric oncology research, to provide better support services that will improve the quality of life for patients and their families, and to one day bring an end to children's cancer.

The Teddy Bear Ball will feature fabulous music, delicious food, and a silent auction of items and services from local and national businesses alike. Guests are invited to attend this major fundraiser and festive event to recognize the importance and vitality of Children's Cancer Fund and to bid thank you and farewell to Dr. Jay as he retires.

Please join us in the celebration and consider donating an item or service to the Teddy Bear Ball silent auction or participating in the Teddy Bear Ball journal. Also, individual guest tickets are available at \$250 per person.

More than 300 attendees will see your support of Children's Cancer Fund and recognize your appreciation for Dr. Jay and his remarkable contributions toward finding a cure for all children with cancer.

Please complete the enclosed forms and return by March 7, 2009 to ensure your participation in the Teddy Bear Ball.
